Subject: Cabo Rojo - PRIDCO request to be included in our Insurance Policy
Date: Thursday, January 24, 2013 10:03:43 AM

Good morning Denise,

As I read their document noted that they are requesting to be included in our insurance policy to be able to start using the facility as a staging area. I will be requesting the insurance certificates immediately to avoid any delays in the mobilization. However, if you need time to evaluate the document let us know as soon as possible so we can plan accordingly with our suppliers. We have scheduled the mobilization to start on Monday 28th, 2013.

Also, as soon as you agree their terms I would have to call Hector, their field coordinator to ask him to fix the fence.

Gracias,

Frances Delano, P.G.
